Personal PV vs Group PV

When your team placed orders, you will accumulate **Group PV**, both on your right and left groups.

When you place orders, you accumulate **Personal PV**. Personal PV never disappears! You accumulate them forever to achieve Membership Levels:

- Sales Rep
- Agent
- Special Agent
- Dealer
- Exclusive Distributor

Attention

To start accumulating your right and left group PV you need:

- 1. Be a verified distributor member**
- 2. Have at least 10,000 Personal PV**

As a consumer member you do not earn group PV and therefore you cannot earn commission. You must convert to a business account.
